--------------------------	-----

your growth our mission

Together with our dedicated local sales teams, we offer expert advice and top-notch service both in-store and online to elevate your sales. Our success is measurable: we drive traffic to your stores, increase shopper basket value and increase profit per m².

no worries best service

We want to make your life as easy and efficient as possible. We do this with our high quality and service standards, but also with next level supply solutions.

We do what we promise, you can rely on our support and that your shelves are filled. We offer more reliability. This is our biggest priority.

How do we do this?

- With our state-of-the-art warehouse, one of the most circular buildings in Europe.
- Our optimum delivery assurance (on time, in full).
- Uncompromising quality control.
- Drop shipment solutions.
- Personal contact in your own language.
- One stop shopping.

your instore partner

steer shoppers' behavior

At elho, we believe instore visibility is the key to success. That's why we support our retail partners with impactful brand presence that drives traffic to your stores and attracts new shoppers.

Our proven approach includes:

- **Clear shelf presentations** that guide shoppers and make choosing easier.
- **Eye-catching POS materials** that highlights product benefits and supports buying decisions
- **Second placements** that inspire to drive impulse buys and cross-selling
- **Inspiring displays** that spark impulse purchases and improve the shopping experience

Together, we'll create a store experience that turns interest into action and browsers into buyers.

millions of shoppers inspired at home

We bring our purpose to life by inspiring people to surround themselves with nature and by building a strong, distinctive elho brand along the way. We activate shoppers and drive traffic to your stores through a powerful, integrated approach.

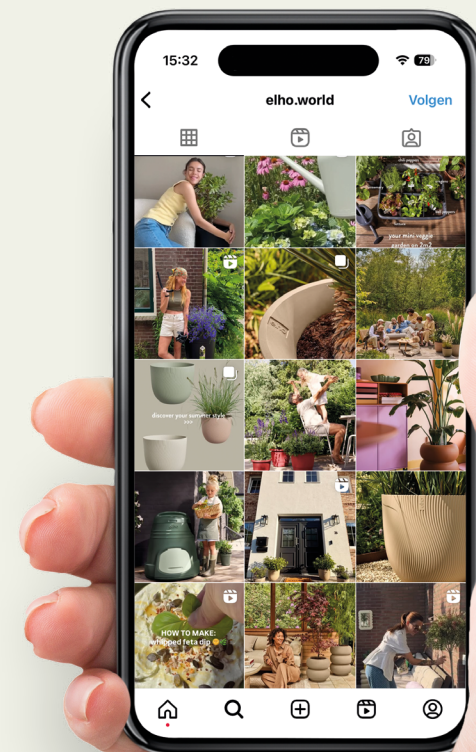

How do we do this?

- Our high-impact media campaigns reach millions of consumers every year.
- We combine mass media and instore activation to boost visibility and sales
- Most offline shoppers orientate online, we guide them from inspiration to purchase.
- Inspiring content through social media, influencers, collaborations, and elho.com supports this journey.

More and more interaction is visible between online and offline stores. Therefore, it is key to align both channels to provide your customer the same positive experience in all channels.

elho can support and help you with the execution of your multichannel strategy:

- top notch product content
- social media packages
- brand page packages
- inspiration at elho.com
- online assortment advice
- customer support
